Sign petition for assisted dying laws in NSW

Right now, there are terminally ill people in NSW are experiencing unbearable suffering, which cannot be relieved, even with the best palliative care. We cannot let this continue. Each signature on this petition brings us closer to assisted dying laws in NSW. Will you add your name?

"We ask members of the NSW Parliament to work together to pass voluntary assisted dying laws in 2021. Over 80% of the community believe that dying people should have the right to ask for medical assistance to end their lives peacefully. People are suffering right now and we cannot wait any longer. Every day matters."
